This 10-week class is based on the best-selling work of the same name by Rev. Dr. Jim Lockard. Through these ten weeks together, we will take a deep dive into each of the 10 topics covered, augmented with supporting sources, interactive exercises, and practices to help us integrate what we're learning and sharing.

This work was previously shared with our community over 10 months in 2023. Since then, the content has expanded and deepened, reflecting the critical need for community in our world today. We believe that the work of creating and being the beloved community has never been more important!

Please sign up today and plan to participate in this powerful work, as we continue to grow and evolve as individuals and as a community.

These topics include:

- ❖ evolutionary leadership
- ❖ presencing
- ❖ creating safe space
- ❖ Spiral Dynamics
- ❖ embracing the mystical
- ❖ emotional and spiritual intelligence
- ❖ social action
- ❖ and more... all in service to creating and being the Beloved Community

What participants have shared:

"Rev. Stephanie helped Unity of Hagerstown focus on intentionally creating the community our hearts are longing for. Doing this 10-month study led to such creative energy and focus - we experienced spiritual and emotional growth, a greater understanding of what it truly means to build a welcoming community, and a Youth and Family Ministry effortlessly arising after not having one since the pandemic. Thanks Rev. Steph!" – Rev. Sandy Boyer

"Unity Radiant Light has been deeply enriched by participating in Rev. Stephanie's Beloved Community initiative over the past year. This inspired work beautifully reflects the principles of Spiral Dynamics, inviting us to expand our consciousness and bridge divides through love and service. We are grateful for how it's empowered us to serve the greater good in more inclusive, compassionate, and transformative ways." - Rev. Cherie Ruffo

"Rev. Stephanie has developed the innovative ideas in *Creating the Beloved Community*, and the study of Spiral Dynamics, into a practical program that we can apply to strengthen and enhance our spiritual communities. With renewed perspective and a deeper understanding of one another, we can create growing, thriving communities that serve the individual and beyond, to the ever-evolving world we live in." - Rev. Rebecca Galati, Unity Church of Christ, Mt. Laurel, NJ

Our goal is to create a beloved community and this will require a qualitative change in our souls as well as a quantitative change in our lives.
